BANGLADESH'S STUDENT OPPORTUNITY RADAR

Every campus holds an opportunity.

CampusRadar brings festivals, hackathons, conferences, workshops and competitions from universities and student communities across Bangladesh into one place.

- Discover
- Connect
- Grow

Made for student communities, campus organizers and curious minds.

- Discover opportunities
- Organizer information
- Deadline awareness
- Across Bangladesh

WHAT IS CAMPUSRADAR?

A home for campus opportunities.

Discover what is happening, keep your plans together, and find your next challenge.

01 Discover more

Find hackathons, cultural fests, workshops, conferences and more.

02 Stay organized

Keep saved events and dates together in a simple workspace.

03 Know the source

Understand dates, eligibility and registration details at a glance.

BUILT FOR CAMPUS LIFE

Useful for students. Helpful for organizers.

FOR STUDENTS

Find a reason to show up.

Explore opportunities that fit your interests, goals and campus life.

- Browse by category and location
- Save events and revisit them

FOR ORGANIZERS

Bring your event to the right crowd.

Share clear event details and make next steps easy for students across more campuses.

- Dates and eligibility
- Registration overview

HOW IT WORKS

A simple path from discovery to participation.

01 Find something interesting

Explore opportunities that match your interests and ambitions.

02 Save or register

Save events or use the listed registration instructions.

03 Stay ready

Keep important dates and next steps easy to find.

EXPLORE YOUR INTERESTS

There is more than one way to grow.

From building something new to meeting your campus community, start where your curiosity leads.

- Technology & coding
- Science & research
- Cultural & arts
- Business & case
- Career & workshops
- Volunteering

One campus can open countless doors.

CampusRadar keeps your next opportunity in view.
